It Does  
Make a  
Difference  
Where  
You Buy

Emblem's Pathfinder 1771545

It does make a difference from whom you buy purebred cattle because certain names mean more in pedigrees than others. Whenever I see the name Allison in a pedigree, I know it represents honesty, integrity and expert cattle judgment. And the more generations of Allison breeding there are in a pedigree the more certain I am that that particular animal will prove profitable to its new owner. The very fact that the choice individuals in this sale nearly all represent from two to seven generations of Allison breeding makes me particularly glad to recommend them.

Wm. A. Allison's Sons came into the purebred cattle business through the steer feeding route. Through the years during which they fed steers, they observed that the straight backed, short legged Shorthorn calves made the most economical and fastest gains as well as the greatest profits. Equipped with this experience, they have been better able to produce the kind of purebreds that are the most practical and profitable for all Corn Belt farmers.

With each succeeding herd bull, the Allisons have improved their herd and the calves, yearlings and two year olds now on their farm that were produced by the mating of Browndale Ringmaster and Emblem's Pathfinder with the daughters of Kalarama Emblem and Kalarama Triumph are the most perfectly formed cattle they have ever bred. They are especially thick fleshed, heavy quartered and smooth rumped, and all have plenty of bone and substance. These desirable characteristics are reflected in this sale offering. The Allisons are selling 14 bulls and 13 females, all healthy, clean, profitable cattle backed by strong ancestry.

The addition of seven choice lots from the strong herd of S. T. Whalin & Son, makes an offering of 34 lots that can be recommended most highly. —Hal Longley of The Shorthorn World.

It is blossom time at the farm of Wm. Allison's Sons, Washington, Indiana. Lois Allison with her attractive heifer are as sweet as any blossoms that ever have bloomed.

## FROM THE OWNERS

With much pleasure we again invite you to our farm to attend this—our Third Annual Sale. This is really an important occasion in our lives because it marks the completion of twenty-five years of operation for our herd. We have learned a good deal about the production of Shorthorn cattle during those years and we have made every effort to turn this experience into profit by working constant improvement in the type and quality of our cattle. In this sale offering, we are bringing before you some of the fruits of these twenty-five years of Shorthorn cattle breeding.

We are particularly proud to present to buyers the calves sired by our two present herd bulls Browndale Ringmaster and Emblem's Pathfinder because they are the most perfectly formed animals we have ever produced. We also point with great pride to the many cattle in this sale that represent several generations of our own breeding. We have perfect faith that these cattle will be profitable to you because the families that produced them have been profitable to us.

It is a pleasure to be associated in this sale with the firm of S. T. Whalin & Son. Their reputation for the production of top show ring specimens and profitable breeding cattle is only surpassed by their reputation for honesty and fair dealing. They should be particularly proud to offer the get and service of their present great herd bull Leveldale Bridegroom because he is, in our opinion, one of the great young show and breeding bulls of the day.

We are confident that all of the cattle offered in this sale will prove profitable to their new owners. Come spend the day with us so that you may inspect our herd and this combined offering. We believe you will be filled with a desire to buy, but whether you buy or not, you will be very welcome.

WM. A. ALLISON'S SONS

Pathfinder's Salute

Pathfinder's Salute is our junior herd bull and will not be included in the sale. We selected this beautifully balanced, dark red son as an able successor to his famous sire, Emblem's Pathfinder. He will be exhibited in the summer yearling class this year. His dam was Glenburn Victoria 19th, bred by Ewing Bros. and sired by Dreadnaught Resource by Dreadnaught Salute.

### EMBLEM'S PATHFINDER 1771545

Emblem's Pathfinder is the best bull we ever produced and we retained him for the further improvement of our own herd. In his two top crosses he represents a strong combination of Rodney and Dreadnaught blood, a combination that has resulted in calves of excellent type in our herd. Emblem's Pathfinder has a great head, is deep of body and short of leg, with wide sprung ribs and deep quarters. He has stamped each calf with these same valuable characteristics.

**BROWNDALÉ RINGMASTER 1852135**

We insist that our herd be improved each year and Browndale Ringmaster has proved to be the ideal bull for this important task. When the need for a new herd bull was apparent, we made a careful study of many prospective sires and finally selected this great young bull after he had won the junior championship at the Indiana State Fair as well as first prizes at the Ohio, Indiana and Kentucky State Fairs. His calves are the best we ever produced.

Ringmaster's Pride

**Ringmaster's Pride**—We held this bull back from our late 1937 crop in order to have a senior yearling to show last year. We do not believe any better two year old show bull will be offered this spring and we know enough about the ancestry of this bull to be absolutely certain that he will make a great breeding bull. In fact, a few of his calves are already here and they are exceptionally blocky, compact and good headed. Ringmaster's Pride is a bull of remarkable depth and width of body, he stands on very short legs, has a great real flank and very deep, strong quarters. We recommend this good show and breeding bull very highly.

Ringmaster's King

Ringmaster's King is one of the best bulls we have ever produced. He will be a senior yearling in 1940 shows and will impress any judge who inspects him. His top and bottom lines are remarkably level. He has remarkable spread of rib, short legs, deep quarters, and smooth tail setting. If you are seeking a bull that can win back his purchase price in 1940 shows and one that will correct major faults in many herds, this one should be considered. We have used him liberally in our herd before offering him for sale.

**Ringmaster's Pilot**—We have plenty of bulls to satisfy those who are looking for the dark colored kind. This one is a solid dark red and he is ready for immediate service. Like all other sons of Browndale Ringmaster, he is covered from end to end with thick, mellow flesh. This bull is a good type, heavy boned, well balanced and is certainly deep and blocky. Seven generations of our own breeding convinces us that he will be a great sire.

Glen Eden Rodney Supreme

**Glen Eden Rodney Supreme**—We have referred to this bull on numerous occasions as the “reddest bull in America.” We also believe him to be one of the thickest, blockiest and lowest set bulls in America. If you will inspect him, you will find that he is a good bull from his strong head clear back to his deep quarters. He has been a remarkably easy keeper and we believe his calves will be real comers.

He is a solid dark red with a beautifully balanced body and no one can inspect him without being impressed with his blockiness, good type, depth of body and his wonderful covering of thick mellow flesh. This bull will make a good show in the junior yearling class this year. His sire, a blue ribbon winner is widely known for his ability to sire blocky, short legged, heavy quartered calves. Mina Beauty 50th

Mina Beauty 50th—We have never sold a better heifer than this one. She is a show heifer in every particular, a marvel for depth of body, compactness, width and shortness of leg. We are very certain that this heifer can win the two year old class in strong 1940 shows. We recommend her very highly. She was bred Jan. 16th to Ringmaster's Pride, the dark roan two year old show bull that sells in this sale.

**Mabel Clare 54th 1917047**—Is one of the tops of this sale and she will be a top in the herd of any man who buys her. She is a beautifully colored dark roan, very smooth in her fleshing and of the blocky, closely made type. You will like her good head, levelness of line and general all-around quality. We are proud when we can say that this kind of a heifer is the result of seven generations of our own breeding. She was bred April 10th to Glen Eden Rodney Supreme 2d.

**Pride's Charm 59th**—From her beautiful head all the way back to her strong quarters, this heifer is of show yard form and she also has all of the earmarks of a brood cow. It takes nerve to offer heifers like this because they are the kind we all like to keep. We believe she will win back her purchase price in 1940 shows. She is in calf since Nov. 29th to Ringmaster's Pride, the dark roan two year old show bull we are selling in this sale.

Leveldale Bridegroom 1891060

Leveldale Bridegroom, chief stock bull in the herd of S. T. Whalin & Son, Rose Hill, Ill. is one of the best young show and breeding bulls in the country. He was a member of the winning Three Bull Group and Undeclared Get of Sire in 1938 and stood high in his class wherever shown in 1939. Best of all, his calves prove him an outstanding sire. There are about 20 of these calves now in the herd and a more uniform group of blocky, broad backed, short legged, dark colored youngsters will not be found. Leveldale Bridegroom comes from show ring ancestry on both sides of his pedigree, he is a show bull himself, and it is very apparent that he is siring calves of show ring type and quality. Two cows sell in this sale with his calves at foot and five females carry his service. These are particularly desirable lots to buy.

This cow is a real producer and the calf is a very promising herd bull prospect.
